

N° 3

Just a Little Seed

*Seed, seed, just a little seed.
What can we do with just a little seed?
Rain and light do their work so
every little seed will grow.*

*Seed, seed, just a little seed.
What can we do with just a little seed?
Rain and light do their work so
every little seed will grow.*

See the farmer put the
seed in the ground.
The farmer wants
the rain to come down.

Rain, rain
and the seed will grow.
Corn for the farmer.
The seed will grow.

See Mother put the
seed in the ground.
Mother wants
the rain to come down.

Rain, rain,
and the seed will grow.
A flower for Mother.
The seed will grow.

A boy and girl put the
seed in the ground.
They both want
the rain to come down.

Rain, rain
and the seed will grow.
A garden for the children.
The seed will grow.

*Seed, seed, just a little seed.
What can we do with just a little seed?
Rain and light do their work so
every little seed will grow.*

*Seed, seed, just a little seed.
What can we do with just a little seed?
Rain and light do their work so
every little seed will grow.*
